

KINCAID HOWLER

Fall Flannel Carnival

A big shout out to the Kincaid PTA, community volunteers, staff, and Dimond High students that made the carnival the huge success. **THANK YOU!**

Thank You & Brrrrr!

Thank you for welcoming me into the Kincaid community! I am honored to assist Mrs. Gallagher & the Kincaid staff to sustain such a remarkable campus.

Autumn came to a chilly halt and it appears winter is here to stay. Please bundle up the kids with all their warm gear so that they can safely enjoy their time outdoors. With winter also comes the seasonal bedlam of the holidays! Don't let the busy season keep you from appreciating all that is good in your lives. Slow down to savor the elementary years with your family!

Thanks again & Please don't hesitate to stop by to say hello or to voice any concerns.

Diane Teekell-Opitz

Kindergarten

Kindergarten is an exciting world at Kincaid Elementary. You will be amazed at the amount of learning that takes place!

As a team our first priority is your child's education and well-being. We work diligently to see that each child receives the greatest benefits of our educational program. The team works together weekly to collaborate on the curriculum.

The kindergarten curriculum is a diverse curriculum that reaches all children. The curriculum includes the following areas:

- Reach For Reading: This is the Language Arts Curriculum that has been newly adopted this year. We are focusing on a letter and high frequency word per week.
- Go Math: We are currently on Chapter 3: Represent, Count, and Write Numbers 6 to 9.
- Connected and Respected/SEL/Kelso Choices: We are focusing on being a good friend and a kind citizen.
- Science: We are currently learning about weather and seasons.
- Handwriting: Formation of capital and lowercase letters.
- Writing: Using journals to write simple sentences using high frequency words and sound spelling, while paying attention to writing conventions.
- Computer Lab: Lexia

We are having a wonderful time teaching your children.

Sincerely,
Tammy Elliott
Tanya Liebes
Mandy McConnell
